

American College of Neuropsychopharmacology

2013 Daniel H. Efron Research Award

- 1. The American College of Neuropsychopharmacology (ACNP) presents the Efron Award to an individual on the basis of outstanding basic research contributions to neuropsychopharmacology.
2. Any scientist, worldwide, may nominate an individual for this award by submitting to the Awards Committee:
a. The nominating letter (no more than three pages) should include a description of the contribution(s) of the candidate and also the significance of his/her contribution(s);
b. The curriculum vitae of the candidate;
c. No more than three papers representing the contribution(s) (career contributions or specific works) upon which the Award would be based.
3. The recipient of the Efron Research Award must be fifty (50) years of age or younger as of December 31, 2013.
4. Individuals who have received the Daniel H. Efron Research Award are:

Table listing award recipients from 1974 to 2012, including names like Solomon Snyder, Charles B. Nemeroff, and Emmanuel Mignot.

Nominations must be submitted on-line: http://www.acnp.org/programs/awards.aspx
