

## Travel Fellowship Guidelines

- *Awardees are required to submit a poster or oral presentation abstract.* You cannot submit a travel fellowship through a symposia submission.
- Candidates must indicate an interest in schizophrenia research and, if possible, provide evidence of continuing and future involvement and activity in the field.
- Individuals must be graduate students, residents, fellows or new/young faculty members that have completed their last training in the last 5 years.
- Candidates who are members of an ethnic minority group or from a low income country, underrepresented in biomedical science areas, are strongly encouraged to apply.
- Awardees will also participate in the meeting as rapporteurs of oral sessions and their reports will be edited into a published summary of the congress after it occurs
