Dear Prof. Artigas:

Membership in the ACNP is based, in part, on an assumption that the member will be active in the College and will regularly attend the annual meetings. In fact, the ACNP By-laws require that the Secretary refer any member who has missed three successive meetings to the Membership Committee, which is empowered to make a recommendation to Council that a non-participating member be terminated. In a review of our records we have noticed that you have not attended the last three annual meetings, and are therefore in violation of ACNP policy.

We are writing to notify you that, in accordance with the ACNP Bylaw, we will refer this matter to the Membership Committee. If you want to maintain your membership, you must attend the Annual Meeting this year and contact Dr. Helen Mayberg, chair of the Membership Committee, explaining your intentions of active participation in the future.

Sincerely,

Alan Frazer, Ph.D.
Secretary
