

# ASSOCIATE PROFESSOR MEGAN GALBALLY

## PERSONAL INFORMATION

---

Head of Unit, Perinatal Mental Health  
Mercy Hospital for Women  
163 Studley Rd, Heidelberg, 3084  
email: [mgalbally@mercy.com.au](mailto:mgalbally@mercy.com.au)

## PROFESSIONAL EXPERIENCE

---

### **Consultant Psychiatrist**

- Current Position: Head of Unit, Perinatal Mental Health, Mercy Hospital For Women 2003-ongoing
- Associate Professor (Honorary Clinical) Department of Obstetrics and Gynaecology, University of Melbourne
- Past-President of the Australasian Marce Society
- Mercy Hospital for Women: Consultation-Liaison and Perinatal Psychiatry Outpatient Clinic, 2001- ongoing
- Accredited Supervisor (RANZCP) for Psychiatry Trainees: 2003-ongoing. 2 Senior Registrar 12 month placements supervised per annum.
- Mother-Baby Unit, Mercy 2001-2003
- Parent-Infant Unit, Albert Road Clinic 2003- 2004
- Private Practice in Perinatal Psychiatry: 2003-2006

### **Qualifications**

- MBBS Monash University 1995
- FRANZCP 2003
- Masters of Psychological Medicine, Monash University 2004
  - Thesis: A review of the theory and practice of mother-infant psychotherapy. Supervisors: Associate Professor Campbell Paul, Dr Martien Snellen (20,000 word research thesis)
- Enrolled in PhD University of Melbourne (part-time) 2010-
  - Thesis Title: A prospective longitudinal study of child development following in-utero exposure to antidepressant medication. Supervisor: Professor Anne

Buist

- To be submitted August 2014, Intention to Submit submitted May, 2014 (University Submission Deadline 2016)

## **PROFESSIONAL MEMBERSHIPS**

---

- President Australasian Marce Society 2011-2013
  - Convenor and Leader of the Organising Committee and Scientific Committee for the 2013 Australasian Marce Conference, October 2013, Melbourne
- Member at Large for the Executive Committee of the *International Marce Society* 2012-ongoing
- Executive Committee of the Australasian Marce Society: President Elect 2009-2011
  - Member of the Scientific Committee for the 2011 Australasian Marce Conference, Fremantle, WA
- Executive Committee of the Australasian Marce Society: Treasurer: 2007-2009
  - Member of the Organising Committee 2009 Joint Australian Infant Mental Health-Australasian Marce Conference, Melbourne
- Executive Committee of the Australasian Marce Society: Member at Large 2003- 2007
- Treasurer and one of the founding members of the: Perinatal and Infant Psychiatry Special Interest Group within the Royal Australian and New Zealand College of Psychiatrists (PIPSIG, RANZCP) 2005-2007

- Membership of Reproductive Psychiatry: international group of clinicians in the area of reproductive mental health. Moderator: Adrienne Einerson (Motherrisk, Canada) 2009-ongoing

## **EDUCATION AND TRAINING**

---

### **Supervision of Students**

- Supervision of Senior Psychiatric Registrars (2 per annum)
- Co-supervisor: N. Brooks. Postdoctoral research fellow on MPEWS 2012-

- Co-supervisor: A Flowers. Doctoral Student (Psychology) on MPEWS 2013-
- Mentorship of all permanent medical staff and rotating registrars within perinatal mental health at Mercy to undertake research, present and publish.
- Medical Student tutorial and supervision of an assesment of a Perinatal Mental Health patient and presentation of assessment. For medical students on rotation in psychiatry at St Vincents (frequency: once per term)

### **Trainings**

- Neonatal Behavioural Observation System, Brazelton Institute. Trainer Keven Nugent at Royal Childrens Hospital, Completed including reliability: 2009
- Completed RANZCP Section of Psychotherapy Core Program in Psychotherapy, 2002
- Completed Supervision Course to be an Accredited Supervisor for RANZCP: Royal Melbourne Hospital , 2003,
- Completed ECT Education Course: Royal Melbourne Hospital, 2003

### **Senior Psychiatric Registrar**

- Mercy Hospital for Women: Mother-Baby Unit, Mother-Baby Clinic, Consultation-Liaison, 2001-2003
- Facilitator of Postnatal Depression Liaison Network Meetings for Western Region, 2002-2003

## **SERVICE DEVELOPMENT**

---

- Development of a comprehensive Perinatal Mental Service (Consultation Liaison and Outpatients) for a tertiary obstetric hospital 2003-ongoing. In this period the total EFTs for the service has substantially increased (from 1.0EFT to 4.8EFT with an additional 1.0EFT research staff).
- Establishment of the Antenatal Clinic for Women with Schizophrenia and Bipolar: Joint clinic between Perinatal Medicine and Perinatal Mental Health 2008-ongoing  
  
-This guidelines developed out of this clinic have been published (see Galbally, Snellen, Development of a model for managing women with Borderline Personality Disorder in the Antenatal Obstetric Hospital setting.
- Establishment of a clinic for psychosocial assessment for Gynae-Oncology patients 2012-ongoing
- Clinical Leader for the Vulnerable Children's Committee, Mercy Health 2008-ongoing
  - This role includes ensuring medical staff are aware of their obligations under Mandatory Reporting and that medical staff are updated on matters concerning the management of vulnerable children

- Psychosocial Screening for Antenatal Women
  - Led the Working Party to examine psychosocial screening for Mercy Hospital for Women and developed a model and policies for the hospital
  - Member of the Advisory Group for the Department of Human Services to examine the models for antenatal and postnatal psychosocial screening for Victoria
- Specific Liaison Services Developed
  - Mental Health to the Transitions Antenatal Clinic a clinic for teenage, indigenous, substance abuse women. Provide psychosocial assessment and treatment within the clinic and supervision and education around mental health to the clinic staff.
  - Mental Health to the Department of Paediatrics education around mental health to the staff and statewide neonatology fellows, assessment and treatment for families with infants in the NICU, supervision and debriefing for staff around mental health
- Hospital Guidelines Developed and Co-Written
  1. Assessment of Psychiatric Disorders in Pregnancy
  2. Referral procedures and form for referrals to Perinatal Mental Health
  3. Perinatal Mental Health Plans for Mercy Hospital for Women
  4. Guidelines for Child Protection and notification for mental health staff (being incorporated in hospital guidelines for all medical staff)
  5. SSRI antidepressants and neonatal withdrawal joint with Department of Paediatrics
  6. Emergency Department Guidelines for Assessment of acute mental illness in pregnant women: Joint Austin and Mercy Hospital for Women
  7. Guidelines for the Management of Psychiatric Emergencies
  8. Guidelines for ECT in pregnancy. Joint for Mercy Hospital for Women and Austin Mental Health
- 2003: As Part of the Parent-Infant Unit at Albert Road Clinic: *Team Award for Service Excellence* at the APHA Awards for Quality and Excellence.
- Ongoing:
  - Development of Guidelines for the assessment of mental illness in pregnant Aboriginal women
  - Development of a multi-disciplinary clinic for families who have experienced stillbirth or neonatal loss and major maternal morbidity

## RESEARCH

---

- CIB NHMRC Project Grant Submitted 2014: Mercy Pregnancy and Emotional Wellbeing Study (MPEWS). CI A/Prof Andrew Lewis (A). Professor Marinus van IJzendoorn, Dr Martha Lappas, Dr Joanne Ryan AIs Professor Michael Permezel, Professor Anne

- Buist, Dr Richard Saffery Professor Philip Boyce
- CIB NHMRC Project Grant Submitted in 2013: Early intervention to ensure the optimal developmental environment for the children of bipolar mothers. CIs Professor Philip Boyce (A), Professor Gin Malhi
  - Chief Investigator: Victorian Psychotropic Registry, longitudinal study of neurodevelopmental outcomes for children exposed to psychotropic medication in utero, 2003- 2012
  - Chief investigator Mercy Pregnancy Emotional Wellbeing Study Ethics Approval Granted 2008, Publication 2010 Harvard Review of Psychiatry. Galbally, Lewis, vanIjzendoorn, Permezel. Funded by a National Priority Research Grant, Beyond Blue Grant 2011-ongoing Investigators: Galbally, Lewis, Buist, Austin, van Ijzendoorn, Permezel, Saffery, Lappas. In addition, the study has currently 6 higher degree research students (2 PhD, 3 Doctoral, 1 Masters) and has a stipend for a 7<sup>th</sup> PhD student.
  - Co-investigator: Does treating maternal antenatal depression and anxiety prevent adverse infant neurodevelopmental outcomes? Investigators: J Milgrom, J Eriksen, M Galbally, A Buist
  - Co-investigator: Coping Strategies if nursing and medical staff in NICU in response to death of neonates. Investigators: J Topp, J Power, M Galbally
  - Co-Investigator: An inter-professional intervention to detect and manage PND among drug dependent pregnant women, 2005-2006
  - Co-Investigator: Enhancing Care Outcomes for Rural Women with Severe Postnatal Depression, 2004
  - Masters of Psychological Medicine- Thesis: ‘A Review of the theory and practice of Mother-Infant Psychotherapy’ submitted November 2002 and passed 2003
  - Four Quality Improvement Projects completed while a Senior Registrar- 1. Psychoeducation evenings for partners and family on the MBU, 2. The role of the infant in the MBU (development of assessment protocol and tool for assessing infants admitted to MBU and data collection over 6 months presented at AAIMH/Marce Conference 2003) 3. Consultation-Liaison service at MHW (development of data collection and a database) 4. Psychotropic medication in pregnancy and lactation (development and publication of a booklet for professionals)

## GRANTS

---

- 2014 Under Review:
  - NHMRC Mercy Pregnancy Emotional Wellbeing Study
- 2013: Two Academic Research and Development Grants each \$2500 (total \$5000)
- 2012: Academic Research and Development Grant: \$2500
- 2012: Medical Research Foundation for Women and Babies: \$25,978: MPEWS
- DHS, Victoria Tender with PIRI for Advanced Training for

Perinatal Mental Health for Maternal Child Health Nurses

- 2011: Beyond Blue Research Grant: Maternal and Infant Observations following antidepressant exposure in pregnancy: \$216,587.00
- 2011: Urquhart Charitable Trust: Does treating maternal antenatal depression and anxiety prevent adverse infant neurodevelopmental outcomes? Co- Investigator: \$20,000
- 2011: IPA Research Grant: Chief Investigators: Lewis, A & Galbally M; Co-investigators: van IJzendoorn & Permezel. A longitudinal study of oxytocin in the mother-infant relationship. \$4,000
- 2007: Pat and Toni Kinsman Scholarship, for: The neuro-cognitive development of children whose mothers took anti-depressants during pregnancy (Chief Investigator) :\$50,000
- 2004: Neuroscience Research Grant for: Victorian Registry for psychotropic medication in pregnancy- ongoing project. Chief Investigator: ,\$43,156
- Pharmaceutical small grants for this project 2004-2006 Total:\$25,500
- 2005: BeyondBlue Grant for: An inter-professional intervention to detect and manage PND among drug dependent pregnant women. Co-investigator. \$50,000
- DHS Grampians: Enhancing Care Outcomes for Rural Women with Severe Postnatal Depression. Co-investigator awarded \$10,000

## CONFERENCE PRESENTATIONS

---

2014

- Invited presentation and attendance at conference and workshop (invitation only) on Infant Sleep and Circadian Development. Convened by Professor Helen Ball at Durham University April 2014
- Invited colloquia, Erasmus Medical Centre, April
- Invited colloquia, Leiden University, April

2013

- Workshop: Managing Schizophrenia and Bipolar Disorder in Pregnancy Australasian Marce Conference, October, 2013

2012

- Invited Speaker: European Congress of Neuropsychopharmacology (ECNP): *Methodological design and limitations of current studies on psychotropic medication in pregnancy* Also to be published in the Journal of European Neuropsychopharmacology
- Invited Colloquium, September, 2012, Leiden University, Netherlands
- International Marce Conference, Paris, October 2012: *Chair*

*Symposium: Pregnancy, Mental Illness, Interventions and Outcome: implications for clinical practice (Galbally, Lewis, Milgrom) and paper accepted on Antidepressant exposure and child outcomes.*

- Invited Talk: Womens Healthcare Australasia, Forum on Perinatal Mental health, July 2012. *Caring for Women with Serious Mental Illness in the Perinatal Period*

2011

- Marce Conference, October 2011, Fremantle, WA: Chair Symposium: *Antenatal Care and Mental Illness*: Paper: *Child Developmental Outcomes and Antidepressant Exposure In Utero: Implications for Clinical Practice* Authors: Galbally, M; Lewis, A; Buist, A; Gentile, S Paper: *Management of Schizophrenia and Bipolar Disorder in Pregnancy: Pilot Data and Recommendations for Care* Authors: Snellen, M; Galbally, M; Blankley, G; Walker, S; Permezel, M; Power, J
- Perinatal Psychiatry in the 21st Century: The Legacy of Channi Kumar, May 2011: Poster *Management of antipsychotic and mood stabiliser medication in pregnancy: recommendations for antenatal care.* Authors: Galbally, M; Snellen, M; Walker, S; Permezel
- Human Behavior and Evolution Conference, June 2011. paper *'An evolutionary mismatch in infant development: the contradiction between western practices of breast feeding and infant sleep patterns'* Authors: Lewis, A & Galbally, M

2009

- Australasian Marce and Australian Infant Mental Health Joint Conference, October 2009: Paper presented *'Child Development Outcomes following in-utero exposure to antidepressant medication'*

2008

- World Association of Infant Mental Health World Congress, Yokohama, Japan co-presented *Workshop with Dr Andrew Watkins and Poster presentation with Dirk Schurink and Ann Johnson*

2007

- World Psychiatric Association: paper presented *The Victorian Psychotropic Registry: an overview*
- Australasian Marce Society Conference, *How safe are the drugs we use in pregnancy? A brief update on the treatment of mood disorders in pregnancy.* Co-presented workshop with Prof Marie-Paule Austin

2006

- Midwifery and Mental Illness Conference (AusMed), *invited presentation: Grief Associated with Death of a Baby*

2004

- World Association for Infant Mental Health Conference: *Psychological consequences of prematurity*, co-presented a workshop with Dr Andrew Watkins (Neonatologist) and Dr Patricia Moore (Obstetrician)
- The Crisis in Childhood National Conference, Australian Centre for Psychoanalysis: *The Psychological Impact of Prematurity*: co-presented with Dr Andrew Watkins (Director of Paediatrics, MHW)

2003

- 38<sup>th</sup> Congress of The Royal Australian and New Zealand College of Psychiatrists: *requested presentation A review of the theory and practice of mother-infant psychotherapy* as part of Symposium: Parenthood and Mental Illness Convenor: Prof Anne Buist
- AAIMH/Marce Joint Conference, Adelaide: paper accepted for presentation *The role of infant psychiatry in the MBU*

2002

- Marce Society International Biennial Scientific Meeting, Sydney: paper presented *A review of the theory and practice of mother-infant psychotherapy*
- Royal Australian and New Zealand College of Psychiatrists Section of Psychotherapy Bi-national Conference, Melbourne: paper presented *A review of the theory and practice of mother-infant psychotherapy*

#### OTHER PRESENTATIONS

---

2014

- Department of Psychiatry, St Vincents Hospital, University of Melbourne Colloquia, Invited talk: *Mery Pregnancy and Emotional Wellbeing Study*, June
- Perinatal Interest Group, Australian Psychological Society (PIPIG,APS) *Perinatal Depression: implications for maternal, infant and child outcomes*, June

2013

- Invited Presentation: Depression in pregnancy, life changing implications for mothers and babies. Invited presentation at Victorian Midwifery Home Care Group Seminar, Melbourne

2012

- Invited Presentation: Puerperal Psychosis, Lecture to the mental health department and Presentation to Pansi as part of PND week, Canberra, November 2012
- Mercy Hospital Grand Round, July. Managing Perinatal mental

illness; implications for pregnancy, neonatal and childhood outcomes

2011

- Invited Presentation: Midwifery leadership Group, Mercy Hospital for Women. Workshop: Managing 'difficult' patients

2010

- Invited Presentation: Postgraduate Education Session, University of Melbourne, The Melbourne Clinic The Management of women with Schizophrenia and Bipolar in Pregnancy- Antenatal Care and Monitoring Guidelines 24<sup>th</sup> February 2010

2008

- North East Valley Division of General Practice: Antenatal and Postnatal Depression, February 26<sup>th</sup>, 2008
- GP Seminar on Antenatal and Postnatal Mental Health Melbourne and Wangaratta, April
- Half Day Inservice on Mental Health for O'Connell Family Services (Early Parenting Centre)
- Workshop on managing "difficult" patients co-presented with Dr Andrew Watkins for Statewide Neonatology Fellows training sessions

2007

- GP Seminar: Update on Management of Antenatal and Postnatal Mental health, 23<sup>rd</sup> October 2007
- Senior Medical Staff Association Meeting: Findings from the psychotropic registry and update on psychotropic medication in pregnancy, 23<sup>rd</sup> November, 2007
- Featherweight Club, Family Information Evening: The Impact of Prematurity on the emotional wellbeing of families;, 21<sup>st</sup> June 2007

2006

- GP Seminars (Mercy Hospital for Women): Psychosocial supports available for pregnancy loss: 10<sup>th</sup> October 2006

2005

- Special Interest Group of Psychiatric Pharmacists: Psychotropic Medication in Pregnancy and breastfeeding;, September 2005

2004

- NEVD General Practice Psychological Consequences of Pregnancy

Loss

- GP Seminar: Postnatal Depression: An Update:
- Department of Psychiatry Colloquium RMH: Infant Mental Health (co-presented with A/Prof Campbell Paul); May 2004
- Department of Psychiatry Colloquium RMH: Psychotropic Medication and Breastfeeding (co-presented with Dr Gillian Opie), July 2004
